### Only the a Letter.

The letter dated Glendale, May 28, which was found last night tucked away under the cornet of the dead girl, had been hung up on a hook in the wall in the office of the Morgue, where all Reports from Agents Give Alarming might see and read it. It furnishes the only possible clue which has been discovered up to the present time which may lead to the unfortunate girl's iden-

tification. Here is the letter: OLENDALE, May 28, '95. Dear Hale: Corkoo: How can I thank you seem. dian war has broken out in earnest.

Robert Fitzpatrick, who pulled the north-bound freight to Pocatello last night, confirme; the reports that

It is apparently in the handwriting

ing of sixteen Indians while they were of a man, and is written upon a sheet trying to escape from the band of settlers from Jackson's Hole, who had capand crumpled, and looks as if it had executed. been frequently handled.

Its contents suggest very little that would furnish a motive for the woman's

tell her story. With a bullet in her head and another in her breast she nur-vived over twelve hours, until found by two labovers the next morning after

two laborers the next morning after the shooting.

They summoned a priest at her re-quest and she received the last rites of the Roman Catholic Church. To the priest and two surgeons who were also summoned she gave the name and de-scription of the murderer, who was speedily apprehended, convicted and executed.

### THE RIVER'S DEAD.

Two Drowned at Fort Morris and

Two Found Near the Battery. William Hurd of 4's West One Hunof Fifty-ninth street, between First and Second avenues, and James Leahy, of Sixtleth street, between First and Second avenues, while passing through the Kills at Port Morris in a skiff last night struck a pile in the stream and the boat was overturned.

Leahy and Doyle were drowned, but Her Cheap Clothing. Hurd managed to swim ashore and Both seemed to be much worn, and save himself. The police of the East station are looking for the bodies of the drowned men. The accident oc-curred about 11.20 o'clock last night. The body of a drowned man, about forty-five years old, was found in the Battery basin at 5.15 A. M. to-day. It was sent to the Old slip station. About fifteen minutes later the body of another man, about twenty-two years old, was found floating in the East River off pier 8. It was removed to the same station-house.

# HURT IN A RUNAWAY.

Buby Injured.

ectal to The Evening World ) MONTCLAIR, N. J., July 24. The wife of H Thorne, of Watsessing had both legs broken, their baby was injured and others of a party of five were badly shaken up by a runaway this morning. They were in a two-seated buggy and Mr. Thorne was driving. The party consisted of Mr. and Mrs. Thorne, their two children, one about nine months and the

other four years old, and a lady friend The horse was frightened at Plymouth street and Orange road, and gave a jump that threw out Mr. Thorne and the baby. It then ran along, and as it approached a turn Mrs. Thorne threw out the four-year-old boy.

At the turn Mrs. Thorne and the other lady were thrown out. The horse fell a short distance further along and was so injured that it will have to be killed. The buggy was demolished. Mrs. Thorne was taken to the Mont-

clair Hospital where it was said that both her legs were broken, and that she might be internally injured. The baby The boy who was thrown out wan-

dered away and had not been found at a late hour this morning.

### **GROOMING DEFENDER.**

The New Yacht Stripped to Her Mast at New Rochelle.

(Special to The Evening World.) NEW ROCHELLE, July 24.-At noon to-day Defender was still anchored in so many counter-attractions, "Artis" Latham's Echo Bay, off New Rochelle, entirely stripped of every semblance of a sail. As she gracefully rode the waters her naked masts and spars glistened in the sunshine, the American flag flying at the stern, Mr. Iselin's private cherry and chocolate pennant at the topmast the spreader were the only evidences that the big racer is tenanted.

The crew of Defender started at 4 The Yale Baseball Country of the law gains of the law gains of the law gains in the profession?

The crew of Defender started at 4 o'clock this morning on board of the Hattle Palmer for City Island to bring that Palmer for City Island to bring that some of Defender's new spars. On board the yacht, palmers and mechanics board the yacht, painters and mechanics ing overhauled, and an effort is being made to relieve the yacht of that stiff-heas which Capt. Haff says was a great days.

Ninth place is pretty low down for the Glants, but wait until the leafers begin to tumble. They're going to de the tologgan act one of these drawback in the recomb neas which Capt. Half says was a great drawback in the recent contest.

The jib topsail is to give place to a better cut one. The staysail and the mainsail will be altered to better administration of the same with Atlanta year-ray. The franchise will probably be transferred.

vantage.

Capt. Haff says there are many small details that need looking after, and when he has all these arranged to his satisfaction the yacht will be able to show what she is capable of doing.

Mr. Iselin reiterates what he has often said, that he, in common with the rest of the syndicate, is fully satisfact with Defender, and that she in transcasses will proposely be transcassed in Paimer's Theorem stage is the next novelty. The stage will be set to represent the said show the stage will be set to represent the said show the stage will be set to represent the said show the said moving correspondingly; seconding to Frank chapman, he inventor. There is to be a wader unpire, too, not one of Nick Young's appointes, though while the Ganta are away from bore the play will be reproduced simultaneously. When they are at home, the dummy play begins at a circle of the syndicate, and that she in

fame may suffer. An army mule and an corrict, might be added to the forces with good effect. Both are good kickers.

That Clarke's record will put him close to th top of the League if he continues in anything like his present form. Using pitchers is a bette practice by far than keeping them on the bench

the rest of the syndicate, is fully satisfied with Defender, and that she in every way comes up to their highest expectations. The recent contests are ample proof that she is worthy of the name she bears.

Notwithstanding he considers the big yacht about perfect, he will make any alterations that the designer or captain believes will benefit the yacht by increasing its speed.

It is expected that the yacht will be taken to the Eri Rason to have her hull overhauled and put in condition for the Goelet Cup races, which she may enter, Capt. Haff left for Rome, N. Y. this morning to consult his physician. About three weeks ago while there he had a cancer removed from his mouth. The captain denies the report that he might not be able to be on board of Defender during the races.

"If I am alive, you will see me on deck," said Capt. Haff, most decidedly.
